Abstract of a Resolution to Establish a Joint Fire District

On May 23, 2016 the Town Board of the Town of Manheim, at a joint meeting held with the Boards of the Town of Oppenheim and the Village of Dolgeville, adopted a Resolution, which is subject to a permissive referendum, to establish a Joint Fire District. The purpose and effect of this Resolution is to establish a Joint Fire District to provide fire protection for all lands and property lying within the bounds of the Joint Fire District. The boundary of the Joint Fire District consists of all of the area lying within the territorial boundaries of the Town of Manheim, the geographical portion of the territory of the Town of Oppenheim lying within the boundaries of the Village of Dolgeville, and all of the territory of the Village of Dolgeville. The property and affairs of the Joint Fire District will be under the management and control of a board of five commissioners who initially will be appointed by the Towns and Village Boards and thereafter elected by residents of the Joint Fire District. Upon the establishment of the Joint Fire District, all existing Fire Districts and Fire Protection Districts located in the bounds of the Joint Fire District described above will be dissolved.

The full text of the Town of Manheim's Resolution was entered into the minutes of the meeting of the Town Board of Manheim held in conjunction with the Town Board of Oppenheim and the Village Board at a Joint Board Meeting held within the Joint Fire District on May 23, 2016.

Marie Gressler, Town Clerk
