SUPERINTENDENT'S REPORT

Carl has ordered the stone for this years' oil & stoning. He hopes to get it all done by the end of June. Use of the transfer station has seemed to have leveled off. It will be open Violet Festival weekend. Legislator Smith notified Carl that he will have 2 boys this summer from the County's Youth Work Program. Carl spoke to BOCES students today on job opportunities with town highway departments. He was very impressed with a DCS senior. Working Solutions will pay him to work here 16hrs a week @ \$9.00 an hour. He is trained in driving heavy equipment and is working towards getting his CDL. Carl wants to train him and do all he can to encourage him to stay in the area after graduation. Supervisor Haughton will call Herkimer County Personnel and NYMIR before putting him on. Supervisor Haughton asked Carl to check Ash Road in the morning. Someone has left logs and tree limbs in the ditch.

OLD BUSINESS

The next Supervisor's dinner meeting is May 26th at the Mohawk Valley Country Club.

NEW BUSINESS

The town received \$9,477.58 in mortgage tax and needs \$5,522.42 in the second installment to meet the budget.

CORRESPONDENCE

The county wanted the town to make the Violet Festival Committee aware that the Brockett Road will be under construction during their festivities.

Assemblyman Marc Butler wrote acknowledging our concerns of National Grid refusing to accept power from solar projects and is awaiting a reply from National Grid. Supervisor Haughton had a phone call from a National Grid representative about this matter. He is willing to come to our next board meeting to explain their position. John will make arrangements for him to attend the June 14th meeting.

A Motion was made by Councilman Doerrer and was seconded by Councilman Snell to adjourn at 7:52pm. Ayes All
