**PRIVILEGE OF THE BOARD** – Paul Nagle

Paul Nagle (who worked on the dam when it was built) is confident that with the right equipment he'll be able to find the hubs and sight the boundaries of the property. He's called places that rent surveying equipment and recommended Featherstone. He agreed to do the work at \$20.00 an hour.

**A Motion** was made by Councilman Jaikin and was seconded by Councilman Snell to contract with Paul Nagle at \$20.00 an hour to survey the Beaver Brook Dam property. Ayes All

The town will rent the necessary equipment and Carl will assist Paul.

**PUBLIC COMMENT PERIOD**

None

**SUPERINTENDENT'S REPORT**

Carl reported that he and Bob will start oil & stoning soon.

He'll be getting the concrete from the old Dockey Road Bridge to use as fill along the Fish Road. He'll get quotes on having it hauled to the site.

**OLD BUSINESS**

The Beaver Brook Dam inspection went well. A copy of which has been filed with the town clerk.

Proposed Fire District: Supervisor Haughton feels it would cost more to apply for a (50/50 matching funds) grant than it would to proceed in establishing a joint fire district with the Village. After Attorney Ayers sends us an outline to follow the Town will meet with the Village and the Fire Department again.

**NEW BUSINESS**

**CORRESPONDENCE**

Excellus BC/BS has notified the town of a possible 17.5% rate increase for health insurance for 2016.

Respectfully Submitted,

Marie Gressler,  
Town Clerk
